## OVERVIEW

Choose this product for a superb fine-art paper explicitly developed for inkjet printing. WV270 delivers everything from perfect-colour skin tones for photographic portraiture to dramatic black and white landscapes; this paper offers just the right feeling of weight and substance combined with a non-glare finish. A quality inkjet paper that blends cotton and cellulose with a lightly textured matt finish. Juno WV270 is ideal for photographic and fine art reproduction; colour or black and white photography, gallery prints, museum and display graphics, digital art or limited edition prints.

- 25% cotton and 75% cellulose blend
- Acid-free for enhanced longevity
- High whiteness with a balanced OBA content
- Achieves FOGRA standards for proofing
- Delivers deep rich shadows and detailed highlights with excellent image sharpness
- Good water resistance
- A subtle matt texture for a non-glare surface
