OVERVIEW

Our Matisse canvas is an exciting new media that will breathe life into your art or graphics. Using a woven construction, this canvas will resist light show-through, and has an optimised matt surface ready for aqueous and Latex ink. It's a great all-round canvas that works especially well for art and photo printing, as well as exhibition graphics and most other display graphics.

- 100% woven polyester
- Substantial look, feel and texture
- Great for modern, high-impact visuals
- Superb uniform surface with non-reflective matt finish
- PVC-free
