Matt Polycotton Canvas

CODE SV-CANC	FINISH Matt	PACKAGING Papergraphics	WEIGHT 280gsm
------------------------	-----------------------	-----------------------------------	--------------------------------

OVERVIEW

designed for heavy ink loads and high-volume display printing. It has a unique inkjet coating on both sides to ensure brilliant colours and even results. SV-CANC is a sturdy canvas, with a more pronounced and decorative weave that truly brings art and photo prints to life. Ideal for both photographic prints and fine-art reproduction display work.

- 75% cotton and 25% polyester canvas mix
- Resistant to cracking when stretching
- Water-resistant
- PVC-free and REACH compliant
- Specially coated for solvent inks
- This product is reverse wound
