OVERVIEW

Salva is an exciting new canvas that will breathe life into your art or graphics. Using a woven construction, this synthetic canvas is reassuringly sturdy, with minimal light show-through to impact your design. Results look bright and crisp thanks to the optimised matt surface, which is easily printable on most solvent, eco-solvent and UVC printers. Versatile in application, our customers have enjoyed success using Salva for photo and art prints, exhibition displays and general display graphics.

- 100% woven polyester
- Substantial look, feel and texture
- Great for modern, high-impact visuals
- Superb uniform surface with non-reflective matt finish
- PVC-free
