

# Canvas Artist

## Canvas FineArt

340 gsm, Poly-Cotton, natural white

## Product Description

Canvas Artist – a natural white, poly-cotton canvas – guarantees archival standards. With its premium matt inkjet coating Canvas Artist meets the highest industry standards regarding density, colour gamut, colour graduation and image sharpness. It is easy to stretch and can be varnished after printing. Compatible with pigmented and dye inkjet systems.

## Applications

Photographic and fine art reproduction complying with highest archival standards, digital art, black & white and colour photography, limited edition prints and exhibitions.

After over 15 years of selling Hahnemühle FineArt products overseas, we are thrilled to finally bring Hahnemühle FineArt products to the UK. Founded in 1584, Hahnemühle is considered by many to be the Rolls-Royce of paper manufacturing, with an emphasis on traditional values combined with modern technology. Hahnemühle's papers are chosen by artists across Europe for their exacting standards and ability to meet all creative demands.

If you'd like to know more about the availability of Hahnemühle's FineArt products or would like to discuss your projects needs with one of our experts, **please call the team at Papergraphics on 0345 1300 662**
